Elementary NT Greek (3351): Homework 12

Final Review:

a. For this last homework assignment, practice by translating the following 4 verses from 1 John.

b. Parse the underlined words (inbold), i.e. supply tense/mood/voice/person/number/lexical form, for verbs, or gender/case/number/lexical, for substantives.

Also, make sure you work on your paradigms (definite article, relative pronoun, indefinite pronoun, and the verb endings).
